

CanWell 2012 Delegates Registration Package

Dear Delegates,

On behalf of the Ontario Ground Water Association (OGWA), we invite you to join us at CanWell 2012, Canada's National Ground Water Symposium.

The Canadian Ground Water Association Convention and Trade Show will take place in Hamilton, Ontario at the Hamilton Convention Center from May 23rd-26th, 2012.

“Shaping the future of Canada’s Ground Water Industry...”

This event will bring together professionals from the ground water and geothermal industry from Canada and abroad. The CanWell 2012 planning committee is composed of members of the Ontario Ground Water Association and includes drilling contractors, engineers, manufacturers and suppliers.

Registration

Attached you will find a schedule of events, registration form, hotels, airports and transportation information. The committee has provided special consideration for those of you who wish to bring more than two (2) delegates from your company by providing you with “extra employee” rates. This makes it easier for you to bring the entire staff to the show. All this information and more can be found and downloaded on our website.

Schedule of Events

You and your company can look forward to a charity golf tournament, a non-golfer tour, silent auction, wine and cheese evening, technical sessions, outdoor demos, both Canadian and Ontario Ground Water Association Annual General Meeting and many more items to be announced at a later date. At the trade show, you will have the opportunity to view the newest and most innovative products as shown by North America's leading manufacturers and suppliers.

Hotels and Airports

Our host hotel will be The Sheraton Hamilton, with easy access to The Convention Center via a covered walkway. Other hotels that will offer CanWell 2012 rates are The Crown Plaza and The Courtyard by Marriott. Contact information is attached but can also be found on our web-site. Hamilton also has an International Airport with full Customs access. Other airports that can be used are Toronto Lester B. Pearson International, but if you need to cross the Canadian/USA border, you may want to consider looking at The Buffalo Niagara International Airport. Talk to your airline or travel agent for more details.

The CanWell 2012 Committee looks forward to seeing you at Canada's National Ground Water Symposium in Hamilton, Ontario.

Yours truly,

Your CanWell 2012 Committee
